6 FAH-5 H-310 COST ATTRIBUTION

(CT:ICASS-5; 07-21-2006)

(Office of Origin: RM/ICASS)

6 FAH-5 H-311 GENERAL

(CT:ICASS-5; 07-21-2006)

(Applies to participating ICASS agencies)

A basic principle of ICASS is to distribute costs in a transparent, fair and equitable manner. Post councils are strongly encouraged to meet annually and to review workload counts and modifications. This encourages transparency and helps prevent possible misunderstandings.

6 FAH-5 H-311.1 Non-ICASS (Direct) Costs

(CT:ICASS-5; 07-21-2006)

(Applies to participating ICASS agencies)

Any costs that can be attributed to a specific agency are directly charged to that agency and are not ICASS costs.

6 FAH-5 H-311.2 ICASS Costs

(CT:ICASS-5; 07-21-2006)

(Applies to participating ICASS agencies)

Costs that cannot be easily attributed to an agency are distributed via ICASS as either post-obligated costs or nonpost-obligated costs. **The next step is how best to calculate and distribute costs by service.**
